

# BSA TROOP 323

## Individual Equipment Checklist – Standard Camping Gear

All Scouts and Parents planning to participate in an overnight event must have the following individual equipment:

- \* **Change of clothes (lightweight) packed into a Ziploc or plastic trash bag and sealed that is appropriate to the expected temperatures**
- \* **Personal mess kit – Bowl, cup, spoon minimum**
- \* **Water bottles / canteens – at least 5 quart total capacity per day in hot weather**
- \* **Rain suit or Poncho**
- \* **Sleeping bag and ground pad (rated for 20° F or less for cold weather camping)**
- Jacket, gloves, hats if appropriate for temperatures expected
- Long pants, Warm shirts, etc. Be able to dress in layers and remove layers depending on activity level and temperature . this is key to being comfortable; Check the weather forecast before you pack!
- Clean sleeping clothes / pajamas, warm hat to sleep in during fall, winter and spring .  
do not sleep in your day clothes
- Several clean pairs of socks
- Clean pairs of underwear
- Toothbrush / toothpaste
- Sunscreen
- Bug repellent
- Flashlight or headlamp
- Camp chair
- Personal first aid kit
- Compass
- Knife (you must have a TotingChip card to have a knife in your possession)
- Lightweight tent (1 for every two campers) troop supplied on Backpacking or Floats

**\*These items are required to participate in Troop 323 outings**
